

# Easy-to-use development books for lifelong improvement...

## **FYI For Your Improvement™ Book**

**Michael M. Lombardo, Ed.D. and Robert W. Eichinger, Ph.D.**

*A complete and easy-to-use development and coaching book for lifelong improvement, FYI For Your Improvement features over 5,000 development tips for developing any of the Leadership Architect Competencies, Stallers and Stoppers, and Performance Management Architect Dimensions.*

## **CAREER ARCHITECT® Development Planner Book**

**Michael M. Lombardo, Ed.D. and Robert W. Eichinger, Ph.D.**

*The Career Architect Development Planner Book was developed for use by human resources, coaches, mentors and feedback givers helping others work on their development; bosses, supervisors and managers working on the development of someone who works with or for them; and individual learners working on their own development.*

### **A DEVELOPMENT TOOL FOR ANY LEVEL**

Designed for use by any motivated person with a development need—at any level: individual contributor, manager, or executive—*FYI For Your Improvement* is the result of over 50 years of research and experience. To use *FYI*, all you have to do is select the competency that needs improvement and turn to the chapter where that competency is discussed. Each competency chapter provides:

- An unskilled "before" picture, a skilled "after" picture and an overuse definition (using a skill too much)
- Some causes (reasons why this need has occurred)
- A map (why the competency is important)
- 10 tips/remedies for building the competency
- Book and audiotape suggestions

### **FYI For Your Improvement™ Book**

#11005 **English FYI For Your Improvement™ Book**

#11006 **Spanish FYI For Your Improvement™ Book**

#11012 **French FYI For Your Improvement™ Book**

### **A FOCUS ON LONG-TERM DEVELOPMENT**

Based on the same development content as the *FYI For Your Improvement™* Book, with four additional learning sections that focus on long-term individual development, each competency chapter in the *Career Architect Development Planner* provides:

- An unskilled "before" picture, a skilled "after" picture and an overuse definition (using a skill too much)
- Some causes (reasons why this need has occurred)
- A map (why the competency is important)
- 10 tips/remedies for building the competency
- Book and audiotape suggestions
- Four learning sections (Learning from more feedback, from development-in-place assignments, from full-time jobs and from your plan)
